organization's operations. This category includes: officials, executives, middle management, plant managers, department managers, and superintendents, salaried supervisors who are members of management, purchasing agents, and buyers. Unless specifically listed under officials and managers or craft (skilled), first line supervisors, who engage in the same activities as the employees they supervise, should not be reported under this category.

Include craft apprentices in such fields as auto mechanics, printing, metalwork, carpentry, plumbing and other building trades.

Laborers: (Unskilled): Workers in manual occupations which generally require no special training. They perform elementary duties which may be learned in a few days and which require the application of little or no independent judgment. This includes: garage laborers, car washers, gardeners, and lumber workers, laborers performing lifting, digging, mixing and loading.

Service Workers: Workers in both protective and no protective service occupations. This includes: attendants, clean-up workers, janitors, guards, police, fire fighters, waiters and waitresses.

Underutilization: The Minnesota Department of Human Rights defines underutilization in a job group if the number of women or people of color in a job group are less than what is expected based on the availability percentage data adopted for the analysis.

The Department uses the "WHOLE-PERSON RULE" in determining underutilization.

Declaration of underutilization does not indicate discrimination has occurred in a company; rather, it is an opportunity to enable a company to apply good faith efforts to ensure equal employment opportunities continually occur in the business.

GOALS AND TIMETABLES

For Non Construction: During this plan year, it is our goal to make a good faith effort to meet or exceed the availability percentage for women or people of color in all job groups, within our availability/utilization/underutilization analysis. We will continue good faith efforts to recruit and retain individuals with disabilities in all levels of our workforce.

For construction: We will make a good faith effort to meet construction goals as described by government agencies, as the prime or subcontractor.

PROBLEM AREA IDENTIFICATION

KGM CONTRACTORS INC periodically conducts an in-depth analysis of its total employment process to determine whether and where impediments to equal employment opportunity may exist. We evaluated:

1. We have identified no underutilization of women or people of color in our current workforce. We will continue to monitor our workforce composition to ensure that no problems arise.
2. Personnel activity: We will routinely conduct adverse impact analyses using the "Eighty Percent Test" or other statistical methods to analyze our personnel activities, including applicant flow, hires, promotions, terminations and other personnel actions, to determine if there are selection disparities between men and women, people of color, nonminority (and within specific racial groups, if appropriate), or disabled and nondisabled applicants or employees. For tests are used as a part of our selection process, we confirm these tests are job-related and are validated. We have taken corrective action to remove any barriers to hiring or retaining women, people of color, or individuals with disabilities.

3. **Compensation system:** We will routinely review our compensation system, including rates of pay and bonuses, to determine whether there is any gender, race, ethnicity, or disability-based disparities. If any disparities are identified, we take prompt action to resolve the disparity. In offering employment to individuals with disabilities, we will not reduce the amount of compensation offered because of any disability income, pension, or other benefit the applicant or employee receives from another source.
4. **Personnel procedures:** We will routinely review all of our personnel procedures and processes, including selection, recruitment, referral, transfers and promotions, seniority provisions, apprenticeship programs and company-sponsored training programs and other company activities to determine if all employees or applicants are fairly considered.
5. **Any other areas that might impact the success of our Affirmative Action Program:** We continually analyze any other areas that may impact our success, such as accessibility of our facility to the available workforce, the attitude of our current workforce towards EEO, proper posting of our EEO policy and required governmental posters, proper notification of our subcontractors or vendors, and retention of records in accordance with applicable law. We take prompt action to remedy any problems in these areas through training of staff or other methods.

ACTION-ORIENTED PROGRAMS

Measures to Facilitate Implementation of Equal Employment Opportunity Policy and Affirmative Action Programs for Women, People of color and Individuals with disabilities. See *Minnesota Administrative Rule 5000.3480*.

Selection Process

We will evaluate our selection process using an adverse impact analysis to determine if our requirements screen out a disproportionate number of people of color, women, or individuals with disabilities. All personnel involved in the recruitment, screening, selection, promotion, disciplinary, and related processes will be carefully selected and trained to ensure that there is a commitment to the affirmative action program and its implementation.

Schedule for Review of Job Requirements: We will annually review all physical and mental job requirements to ensure that these requirements do not tend to screen out qualified individuals with disabilities. We will determine whether these requirements are job-related and are consistent with business necessity and the safe performance of the job, and we will remove any physical or mental requirements that do not meet these criteria. Any job descriptions or requirements changed after review will be distributed to all relevant employees, particularly those involved in the selection process and supervision of employees.

Pre-Employment Medical Examination: If we require medical examinations or inquiries as a part of our selection process, all exams or inquiries will be conducted after a conditional offer of employment. Only job-related medical examinations and inquiries will be conducted, and the results of these examinations or inquiries will not be used to screen out qualified individuals with disabilities. Information obtained in response to such inquiries or examinations will be kept confidential except that

(a) supervisors and managers may be informed regarding restrictions on the work or duties of individuals with disabilities and regarding accommodations, (b) first aid and safety personnel may be informed, where and to the extent appropriate, if the condition might require emergency treatment, and (c) officials, employees, representatives, or agents of the Minnesota Department of Human Rights or local human rights agencies investigating compliance with the act or local human rights ordinances will be informed if they request such information.

Accommodations to Physical and Mental Limitations of Employees

We will make reasonable accommodations to the physical and mental limitations of an employee or applicant unless such an accommodation would impose an undue hardship on the conduct of the business.

Recruitment of Employees

1. All solicitation or advertisements for employees will state that applicants will receive consideration for employment regardless of their race, color, creed, religion, national origin, sex, sexual orientation, disability, age, marital status, or status with regard to public assistance. When needed, to help address underutilization, help wanted advertising will also be placed in news media oriented towards women or people of color. Copies of advertisements for employees will be kept on file for review by enforcement agencies.
2. When we place help-wanted advertisements, we will not indicate a preference, limitation, or specification based on sex, age, national origin, or other protected characteristic, unless that characteristic is a bona fide occupational qualification for a particular job. We will not allow any employment agency with which we work to express any such limitation on our behalf, and we will require that these agencies share our commitment to Equal Employment Opportunity.
3. All positions for which we post or advertise externally will be listed with State of Minnesota Workforce Centers, America's Job Bank, or similar governmental agencies.
4. We will request the Minnesota Department of Employment and Economic Development to refer qualified individual with disabilities for employment consideration under our affirmative action programs in accordance with Minnesota Administrative Rule 5000.3557.
5. As necessary to ensure that potential candidates are aware of job openings, we will contact community organizations focused on the employment of women, people of color, and individuals with disabilities (including state vocational rehabilitation agencies or facilities, sheltered workshops, college placement offices, education agencies, or labor organizations).
6. We will keep documentation of all contacts made and responses received, in connection with paragraphs 4 and 5 above, whether formal or informal. We will make every effort to give these agencies a reasonable amount of time to locate and refer applicants. We will carry out active recruiting programs at relevant technical schools and colleges, where applicable.
7. We will encourage existing people of color, female and disabled employees to recruit additional candidates for employment opportunities.

8. Consideration of people of color and women not currently in the workforce: We will take additional steps to encourage the employment of women, people of color and individuals with disabilities who are not currently in the workforce, such as providing part-time employment, internships, or summer employment programs.

Training Programs

People of color, female and employees with disabilities will be afforded full opportunity and will be encouraged to participate in all organization sponsored educational and training programs.

We will seek the inclusion of qualified people of color, female and disabled employees in any apprenticeship program in which we participate.

Promotion Process

Our promotion process has been developed and documented and only legitimate qualifications are considered in our promotion decisions. We will conduct adverse impact analyses to ensure that women, people of color, and employees with disabilities are promoted at rates substantially similar to men, non-people of color, and individuals without disabilities.

Termination Process

We use progressive discipline before terminating employees, where appropriate. All employees are made aware of our discipline process. We will conduct adverse impact analyses to ensure that women, people of color, and employees with disabilities do not leave our company at rates substantially dissimilar to those of men, non-people of color, and employees without disabilities.

Religion and National Origin Discrimination and Accommodation for Religious Observance and Practice

As a part of our commitment to Equal Employment Opportunity for all, we have made a specific effort to ensure that national origin and religion are not factors in recruitment, selection, promotion, transfer, termination, or participation in training. The following activities are undertaken to ensure religion and national origin are not used as a basis for employment decisions:

1. Recruitment resources are informed of our commitment to provide equal employment opportunity without regard to national origin or religion.
2. Our employees are informed of our policy and their duty to provide equal opportunity without regard to national origin or religion.
3. Employment practices exist and are reviewed to ensure that we implement equal employment opportunity without regard to national origin or religion.
4. The religious observances and practices of our employees are accommodated, except where the requested accommodation would cause undue hardship on the conduct of our business.

5. We do not discriminate against any qualified applicant or employee because of race, color, creed, disability, age, sex, sexual orientation, marital status, or status with regard to public assistance in implementing the policy concerning non-discrimination based on national origin or religion.

Sex Discrimination Guidelines

We incorporate the following commitments into this AAP to ensure that all laws related to the prohibition of discrimination based on sex are followed:

1. Employment opportunities and conditions of employment are not related to the sex of any applicant or employee. Salaries are not related to or based upon sex.
2. Women are encouraged to attend all training or development programs to facilitate their opportunities for promotion, and to apply for all positions for which they are qualified.
3. We do not deny employment to women or men with young children and do not penalize, in conditions of employment, women or men who require time away from work for parental leave.
4. Appropriate physical facilities are provided to both sexes.

Prevention of Harassment and Discrimination

Our company has developed policies prohibiting the harassment of or discrimination against any employee because of any characteristic protected under civil rights laws. Senior management will distribute these policies routinely to current employees and incorporate these policies as a part of new employee orientation. Employees are made aware of contact persons to report any violation of these policies.

ANTI-HARASSMENT POLICY

As a part of our commitment to equal opportunity, KGM Contractors Inc has adopted an anti-harassment policy. Any employee who engages in harassment on the basis of race, color, creed, religion, national origin, sex, sexual orientation, marital status, status with regard to public assistance, membership or activity in a local human rights commission, disability, age, or other legally protected characteristics; any employee who permits employees under his/her supervision to engage in such harassment; or any employee who retaliates or permits retaliation against an employee who reports such harassment is guilty of misconduct and shall be subject to remedial action which may include the imposition of discipline or termination of employment.

Examples of harassment may include derogatory comments regarding a person's race, color, religion, or other protected characteristics, sexually explicit or other offensive images (whether printed or displayed on a computer), and jokes that are based on stereotypes of particular races, sexual orientations, ages, religions, or other protected characteristics.

Sexual Harassment is prohibited and includes any unwelcome sexual advance, request for sexual favor and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made, either explicitly or implicitly, as a term or condition of employment;
- Submission to or rejection of such conduct is used as a factor in any employment decision affecting any individual; or
- Such conduct has the purpose or effect of unreasonably interfering with any employee's work performance or creating an intimidating, hostile or offensive working environment.

Although the intent of the person engaging in the conduct may be harmless or even friendly, it is the perception of the conduct by the recipient that is relevant to whether the conduct is harassment. Given the difficulty of judging whether the conduct is welcome or unwelcome in particular situations, the company prohibits all employees from engaging in any conduct of a sexual nature or amounting to harassment based on any protected category in the work setting.

This policy applies to everyone in the organization as well as senior management. No retaliation or intimidation directed towards anyone who makes a complaint will be tolerated.

If you believe you have been a victim of harassment, take the following steps:

- Discuss the matter with your supervisor or manager.
- If, for any reason, you would prefer not to speak to your supervisor (for example, if you believe your supervisor to be the source of or a party to the harassment), you may talk to any other member of management or the EEO manager.

The company will investigate and attempt to resolve your complaint promptly. If, for any reason, you believe this has not occurred within a reasonable period of time, refer the matter to a member of senior management up to and including the CEO of KGM Contractors Inc.

PROBLEM RESOLUTION POLICY

In any organization, dissatisfaction may arise because an employee does not know, understand, or agree with certain policy interpretations or management decisions. Such dissatisfactions are commonly referred to as grievances. At KGM Contractors Inc, we believe that if any employee has a grievance concerning his/her wages, hours of work, or other terms or conditions of employment, the matter should receive attention from management.

An employee who feels aggrieved is urged to take the matter up immediately with his/her supervisor. Your supervisor is required to investigate your grievance and provide you a response or decision within a reasonable period of time. This investigation may consist of, but is not limited to, gathering information from other employees involved, reviewing company policy, and any other action necessary to understand the matter completely.

If you are not satisfied with the response/decision from your immediate supervisor, you are encouraged to notify the next level of management in writing. This next level of supervision will have a reasonable period of time in which to investigate the matter and respond to you in writing.

If, after these steps are taken, you believe inadequate action has been taken to resolve your complaint, contact Pauline Rutchasky. It is the policy of this organization to respond to any and all complaints, and to take immediate and necessary actions to resolve the issue.

There will be no adverse action taken against a complaining employee as a result of making the complaint, regardless of the outcome of the investigation.

If you have a problem which is more specifically addressed by the Anti-Harassment Policy, please follow the procedure described in the Anti-Harassment Policy section.
